MV Isle of Lewis | Eilean Leòdhais

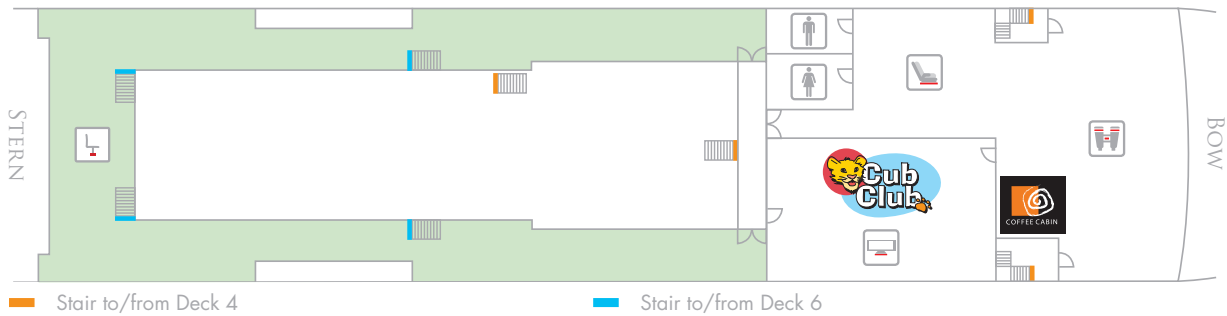

WITH CALMAC YOUR ISLAND EXPERIENCE BEGINS THE MOMENT YOU STEP ON BOARD

Launched in 1995 by HRH Princess Alexandra, MV Isle of Lewis or *Eilean Leòdhais* is CalMac's fastest ship, capable of reaching a speed of 18 knots. Spanning some 101 metres in length and carrying up to 970 passengers and 114 cars, she is the largest in the fleet – her impressive scale perhaps best appreciated by standing at the rear of The Still bar on the upper deck from where you can see right through to Mariners cafeteria at the opposite end.

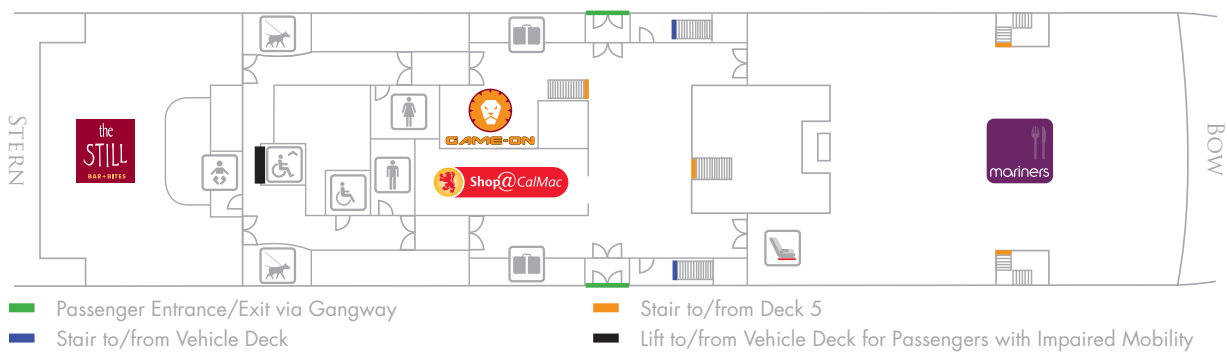

And yet for all her size and scale, MV Isle of Lewis is warm and welcoming too, with a whole host of services and facilities designed to ensure that you arrive at your destination relaxed and refreshed.
